
Upcoming Behavior and Design Changes in Leganto 2023

These are behavioral/user experience changes in the software that affect all customers by default. For more information about the impact of the feature, select the feature title to see the details below.

Email us at Leganto_Customers_Feedback@exlibrisgroup.com with any feedback or questions.

Experience	Software	Expected Release
New Leganto User Experience	Leganto	September 2023

New Leganto User Experience

September 2023 Leganto

Ex Libris is developing the next generation Leganto user experience. See:

- [Getting Started Guide](#)
- [FAQs](#)
- [Webinars](#)

The new user experience is still being developed for a list of features that will be added in future releases see [Leganto New UI Known Issues](#).
