
ETDs

[Click to play](#)

Duration	6.5 mins
Contents	Electronic Theses and Dissertations (ETDs) are digital copies of student work, whether for undergraduate, graduate, or doctoral studies. In Esploro, ETDs are handled in much the same way as other research assets, but there are some differences, which are covered in this video.
Target Audience	Repository managers
Prerequisites	Orientation videos , other Research Assets videos
Related Reading	Adding Staff-Mediated Research Deposits for ETDs ETD Administrator Integration
