Bloomsbury have shared their upcoming product release schedule with Ex Libris. Below are the general product/platform names, their approximate time of availability and their current status. Collections **not** appearing on the list have either already been added to the Ex Libris KBs or they have not yet been scheduled for release by Bloomsbury. The names of products and timelines below are subject to change.

Note: Bloomsbury Collections (ebook collections at <https://www.bloomsburycollections.com>) are typically added within the first couple of months of the year, whenever the first title becomes available for the collection.
