

EBSCOhost

Overview

EBSCOhost is a content aggregator, publisher, and library systems vendor.

EBSCOhost offers a variety of databases and collections in multiple subjects, and they provide Ex Libris with KBARTs only without CDI metadata or MARC for enrichment.

EBSCO-specific issues

- [EBSCOhost EJS Discontinuation](#) (June 2024)
- EBSCO's perpetual collections : [EBSCO's perpetual collections - Ex Libris Knowledge Center](#)
