

Rosetta SP 8.2 third-party upgrade available

- **Product:** Rosetta
 - **Product Version:** 8.2
-

Description

Customers who installed **Rosetta Service pack 8.2 before October 15th 2024** are advised to rerun thirdparty upgrade (util sp 3) on all application servers and restart Rosetta application.

Reason

Thirdparty upgrade will **install latest certified Tomcat version 9.0.95** which fixes issues caused by previous Tomcat version 9.0.93.
