Why is *Scientific American* and *Nature Digest* not available in the SpringerLink Journals - AutoHoldings collection? (Collection ID: 613860000000000884)

Answer

Currently, the auto holdings collection includes only titles that are hosted on link.springer.com and nature.com. Both *Scientific American* and *Nature Digest* are hosted on different platforms:

<https://www.scientificamerican.com/>

<https://www.natureasia.com/ja-jp/ndigest/>

These titles are available in the following collections:

Collection Name: **Scientific American** Collection ID: **6114049470000041**

Collection Name: **Springer Nature - Nature Advance** Collection ID: **61551000000000237**
