

Rosetta SP 8.3 third-party upgrade available

- **Product:** Rosetta
 - **Product Version:** 8.3
-

Description

Customers who installed **Rosetta Service pack 8.3 before July 17th 2025** are advised to rerun third-party upgrade (util sp 3) on all application servers and restart Rosetta application.

Reason

The third-party upgrade will **install latest certified Tomcat version 9.0.106** which fixes security issues of previous Tomcat versions.
