JSTOR Path to Open Collection Transition – January 2026

During the week of **January 5, 2026**, the first **100 books selected in 2023 for JSTOR's Path to Open program** will transition to **open access**.

Key Changes in Ex Libris Knowledgebases

KBART Title Lists

The 100 titles flipping to open will be:

- **Removed from the JSTOR Path to Open collection** (Collection ID: **61549000000002000**; DBID: **CCVUK**)
- **Added to the JSTOR Books Open Access collection** (Collection ID: **61433000000000094**; DBID: **BAHZO**)

Alma Autoholdings

- For institutions that subscribe to Path to Open: the license information for the 100 titles will be updated from **'P2OCOR'** to **'OA'** in their Books at JSTOR holdings files
- For institutions that do not subscribe to Path to Open: the 100 titles will be **added with license 'OA'** to their Books at JSTOR holdings file sent for Alma Autoholdings.
