

06 SFX and Primo Interoperability

Media, iframe, embed and object tags are not supported inside of a PDF.

Duration: 48 min.

View on alternate host: [Play Download](#)

Description	<p>This session concentrates on how SFX interacts with Primo through the end-user interfaces and important background processes. In addition to seeing a demo of the SFX-related features in the Primo interface, you'll have some details regarding the relevant configuration settings that are needed for SFX and Primo to work together. This will be very helpful in troubleshooting your SFX-Primo environments.</p> <p>Topics covered:</p> <ul style="list-style-type: none">• Introduction• SFX Linking via Primo• SFX2PRIMO Export• SFX4PRIMO Central• Troubleshooting• Summary & Additional Resources	Attachments Handout
