

## Generic vendor loading

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 18.01
- 

### Description:

We are having trouble retrieving the ISBN record after loading a file from Dawson. The file appears to run correctly in task manager (p\_file\_96) but when trying to search for a particular ISBN it brings up no records.

### Resolution:

Please see attached.

---

## Additional Information

p\_file\_96 ISBN Dawson
