
'Select row' in Opac short list

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 21
-

Problem Symptoms:

In Opac short list the text 'Select row' appears in the check box for adding a title e.g. to the basket. There should be no text.

Cause:

Configuration

Resolution:

The text 'Select row' is set to 'hidden' in the according configuration. Unfortunately there is no definition for 'hidden' in your CSS table \$alephe_root/www_f_lng/nnn.css. Please add it there and restart the Web server:

```
.hidden
{
position:absolute;
left:-10000px;
top:auto;
width:1px;
height:1px;
overflow:hidden;
}
```
