

## Is there a document showing the Alma Data Model (Schematic)?

- **Product:** Alma
- 

### Question

Is there a schematic of how Alma records are linked to each other?

### Answer

High-level charts showing the Alma data relations exist in the document "[Aleph to Alma Migration Guide](#)".

Examples:

- The inventory model in pp. 14-15.
- Patron record relations in pp. 24-27.
- Acquisition record hierarchy in pp. 39-41.

Page numbers are based on the July 2014 Release documentation.
