

Changing the Report Broken link email output

- **Product:** SFX
 - **Product Version:** 4
-

Question

Is it possible to have the "Report Broken link" reports sent to the library's email?

Answer

Yes.

In order to add your library email address:

1. Go to the SFX Admin > Setup & Administration > Configuration > Menu Configuration.
2. Go to 'Report Broken link option'
3. Add the email address to the 'Send copy of report to the following library e-mail address(es):' box.
4. Separate multiple email addresses with a comma or semicolon.

Additional Information

See the "Report Broken Link" section in chapter 8 of the [SFX General Users Guide.pdf](#) for further details regarding this feature.
