

## FTP Logins

- **Article Type:** General
  - **Product:** MetaLib
  - **Product Version:** 4
- 

### Description:

What are the FTP logins needed for MetaLib

### Resolution:

Access to MetaLib-related files on the FTP server, <ftp.exlibris.co.il>, varies depending on what files you are trying to retrieve. Here are some of the frequently used logins:

#### 1) Service packs

Username: mik

Password: M0zart4

Directory: sp

#### 2) MetaLib Installation Kit (MIK)

Username: mik

Password: M0zart4

Directory: scripts

#### 3) Upgrade Express Kit (UE)

Username: metalux

Password: M0zart

Directory: n/a

We urge you to contact Support before running the MIK or UE.

Other logins, such as those for 3rd party products and Oracle patches, will be provided when requested via support incidents.
