## Adding a new item does not generate a ranked hold

- **Article Type:** General
  - **Product:** Voyager
  - **Product Version:** 8.2
- 

### Problem Symptoms:

\*Adding an eligible item to a title does not create a ranked hold from an unranked hold.

### Cause:

This behavior is the result of Issue VYG-4841.

### Resolution:

Issue VYG-4841 is not reproducible Voyager 9.1.0.

---

## Additional Information

### Replication steps:

1. Create a PO in Acquisitions > Orders > New Purchase Order
2. Create a new Line item by selecting Add Line (Bib Search), Add Line (Bib Import), or Add Line (Template)
3. Place an unranked Title Level hold on the item in Circulation > Item
4. Approve Purchase Order and Receive Item
5. Add item record in Detailed Line Item > Copy Status tab > Item
6. The hold created is not ranked.

Workaround: Manually cancel and recreate holds.
