

WEBV:No holdings available for suppressed records

- **Product:** Voyager
 - **Product Version:** 8.1.2
-

Symptoms

- Selecting a title to view in course reserves list produces error, "No holdings available - check at the Circulation Desk."
- Records with this problem are suppressed in OPAC.
- Patrons can't view bibliographic or holdings details for the title.

Defect Status

Issue 16384-19665 is resolved for Voyager 8.2.0 and higher.

Replication steps:

1. Perform a Course reserves search.
 2. Select any record from the titles list to view the record. (This can be a suppressed or unsuppressed record)
 3. Click on Titles on the top right to return to the titles list.
 4. Select any Title that is suppressed from the OPAC.
 5. Record does not display, instead users see "No holdings available -- check at the Circulation Desk."
