

## Circjob 44 does not change operator ID

- **Article Type:** General
  - **Product:** Voyager
  - **Product Version:** 8.2.2
- 

### Problem Symptoms:

\* When Circjob 44 is run, affected barcodes retain the modifying operator ID that previously modified the record.

### Cause:

This issue is the result of issue VYG-5130

### Resolution:

Issue VYG-5130 is resolved in Voyager 9.1.0

---

## Additional Information

1. In Circulation, locate a patron record for testing, and note the operator id in the "Patron ID" tab.
2. Run Circjob 44 such that the patron from step 1 is expired.
3. Re-examine the patron record. In the "Patron ID tab", note that the operator ID has not changed.
