
CIRC: Patron address edit hot key duplicated

- **Article Type:** General
 - **Product:** Voyager
 - **Product Version:** 9
-

Problem Symptoms:

? When user attempts to add new address by clicking "Addresses <new>", the keyboard equivalent (the hot key alternative to clicking in the boxes with the mouse) is the same (the letter "T") for both the address Type and State/Prov. input boxes.

Cause:

This behavior is a result of Issue VYG-4096.

Resolution:

Issue VYG-4096 is resolved for Voyager 9.0.0 and higher.

Additional Information

Workflow implications:

This disrupts workflow for operators who frequently use these hot keys.

Replication Steps:

1. Bring up a patron record, right click, and select Edit Patron
2. Click on Addresses <new>
3. Hit alt+t and first you'll go to the Type field; with the second click you'll move to the State/Prov. Field.
