

Acq-02 / acq-03 report omits certain titles.

Problem Symptoms:

Certain titles (such as Choral Journal and Chronicle of Higher Education) are omitted from the Acq-02-01 / Acq-03 ("General Retrieval ") report. (The output, which is in Aleph ADM-number order, is being placed into a spreadsheet and sorted.)

Cause:

"The" not ignored in the spreadsheet sorting of titles.

Resolution:

The \$data_print/FileList report **does** include these titles, but they begin with "The": The choral journal, The chronicle of higher education -- and are, therefore, found in the "T"s (rather than the "C"s).
