

No options active to place items on Reserve

- **Article Type:** General
 - **Product:** Voyager
 - **Product Version:** 8.2.0
-

Problem Symptoms:

* Attempt to place items on reserve and have no options active in Reserve menu.

Cause:

No list is active in the Reserve window.

Resolution:

1. Click on Reserve
2. Find a list that you would like to add item to.
3. Options in the Reserve menu will now be active.
