
The URL link is not active in Holding page in OPAC

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 18.01
-

Problem Symptoms:

- * The URL link from 856 field in the bibliographic record is active in the Full View of OPAC
- * The same URL link is present but is not active in the Holding page in OPAC

Cause:

- * The URL tag was missing from paragraph 013 in ./xxx01/tab/edit_paragraph.Ing

Resolution:

- * Edit ./xxx01/tab/edit_paragraph.Ing

- * Add the following line:

013 URL## D ##^

- * to avoid duplication in the display, delete or comment out the line present for 856 field:

!!013 856## D ##^

- * Restart PC Server and WWW Server
