
Aleph ill-loan-info X-Service - "missing op program" error

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Problem Symptoms:

Running X Service ill-loan-info results in the error message: "Missing op program".

Cause:

\$alephe_tab/www_x_func contained a typo

Resolution:

Table www_x_func in \$alephe_tab should normally be empty.
In this case, it was populated and contained a typo:

```
##### ILL-LOAN-INFO www_x_ill_loan_inf  
instead of:  
##### ILL-LOAN-INFO www_x_ill_loan_info
```

Category: X-server (500)
