

## Headings show as 'not applicable'

- **Article Type:** General
  - **Product:** Voyager
  - **Product Version:** 8.1.0
- 

### Problem Symptoms

- Heading type displays as "not applicable" for genre headings in Cataloging
- Headings are valid LC genre headings

### Cause

Thesaurus code in subfield 2 is not in heading\_type.heading\_code in database.

### Resolution

Use one of the heading\_codes in heading\_type.heading\_code.

### Additional Information

Enhancements in Voyager 8.2.0 (released November 2012) include expanded heading\_codes in the heading\_type table.
