## Unable to edit Display Logic entries in SFX Admin

- **Article Type:** General
  - **Product:** SFX
  - **Product Version:** 4
- 

### Problem Symptoms:

When editing Display Logic tab, clicking on the Add or Edit buttons results in a static blank window.

### Cause:

Country / Headers not defined in the A-Z eJournal List Configuration page

### Resolution:

- 1) Open the "A-Z eJournal List" Configuration page
- 2) Expand the LANGUAGE section
- 3) Select appropriate country from the dropdown and choose headers.
- 4) Click the "save default profile" button

---

## Additional Information

the procedure needs to be followed even if A-Z eJournal list is not used.
