
publish-06 changes p_update_flag from "N" to "Y"

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Problem Symptoms:

When publish-06 ("Create Tar File for ALEPH Published Records") is run with p_update_flag = "N" and p_zip_flag null, \$aleph_proc/p_publish_06 changes the value of p_update_flag to "Y".

Cause:

A bug in the ./butil/b_publish_06_correct_param program.

Resolution:

Corrected by v21 rep_change 2178.

Additional Information

The workaround is to specify "Y" for p_zip_flag (rather than leaving it empty.)
