

BulkImport fails to delete bib records

- **Product:** Voyager
 - **Product Version:** 8.1.0
-

Problem Symptoms

- WebAdmin BulkImport fails to delete bibs
- log.imp* files show large number of matches

Cause

Duplicate detection is not matching on bib ID (BBID).

Resolution

1. Go to SysAdmin > Cataloging > Bibliographic Duplicate Detection > [Profile] > Field Definitions
 2. Change Field Definitions to match on BBID
