
ORA-01405 error when running Acq Open Orders Report

- **Product:** Voyager
 - **Product Version:** 8.2.1
-

Problem Symptoms

When Open Orders Report is run, receive error in acqjob.log:

```
Failure to retrieve bib title.  
SQL Error: ORA-01405: fetched column value is NULL  
PO Number: 4331  
Title:  
Line Item #: 1  
System Keys: (copyid xxxx)  
(lineitem xxx)  
(bib xxxxxxx)  
(po xxxx)
```

Cause

Bib record referenced does not contain a 245 (title) field.

Resolution

1. In Cataloging, add title in 245 field of bib record indicated in message.
 2. Run acqjob again.
