## Link from Aleph to SFX shows no result

- **Article Type:** General
- **Product:** Aleph
- **Product Version:** 20

---

### Problem Symptoms:

Link from Aleph to SFX shows as "No electronic full text available" although the record is available in SFX KB

### Cause:

In Aleph the old ISBN is used (10 digits), in SFX the new one (13 digits)

### Resolution:

Add SI to SFX KB team and request adding the additional ISBN.

**Category:** Interoperability (500)

**Subject:** SFX
