

EOD:this fundcode is not unique

- **Article Type:** General
 - **Product:** Voyager
 - **Product Version:** 8.2.0
-

Problem Symptoms:

*Receive "this fundcode is not unique; line item could not be inserted since it was found on 2 Ledgers" when creating purchase orders via Bulkimport.

Cause:

- *There is more than one fund with the fund code on the active ledger, OR
- *There are two fiscal periods that are current and the same fund is on two active ledgers.

Resolution:

Edit the fund code or wait until the old ledger is no longer active.
