
Google Scholar Registration inaccessible in SFX Admin

- **Article Type:** General
 - **Product:** SFX
 - **Product Version:** 4
-

Problem Symptoms:

Google Scholar Registration menu is grayed out in the SFX Admin

Cause:

Google Scholar option is missing or inactive in user_permissions.config

Resolution:

1. ssh to the server as the local instance UNIX user
2. Type: cn
3. Open user_permissions.config in a file editor
4. Under the section pertaining to the SFX Admin user profile (e.g. Section "Administrator"), add or update the following line:
GOOGLE_SCHOLAR.WRITE "Y"
5. Save the file
6. Google Scholar Registration will be available upon login to SFX Admin
