

## Item status shows as overdue despite being renewed

- **Article Type:** General
  - **Product:** Voyager
  - **Product Version:** 8.1.1
- 

### Problem Symptoms:

• Renewed item in Charged Items Index has status of Overdue instead of Renewed

• Item's due date reflects renewal - item is not overdue

### Cause:

Daily circjobs running while Circulation client trying to update data in tables

### Resolution:

Set daily circjobs during period of minimal activity to prevent conflict.
