

Decimal point in dollar amounts has changed

- **Product:** Voyager
 - **Product Version:** 8.1.1
-

Problem Symptoms

Decimal point in dollar amounts has changed - a \$10.00 processing fee becomes \$1,000.00, etc.

Cause

Decimal point setting in Base Currency changed

Resolution

1. Go to System Administration > System > Base Currency
 2. Ensure the "Base Decimals" setting is set to "2"
