
Upgrade to 3.2.1 failed with timeout on rep_DPS_10919.sql

- **Article Type:** General
 - **Product:** Rosetta
 - **Product Version:** 3.2.1
-

Problem Symptoms:

Upgrade to 3.2.1 fails with :

```
xxxxx_rep00@DPS> Connected.  
Executing add index HDECONTROL_MV_IDX01 on column PID materialized view  
HDECONTROL_MV  
DECLARE  
*  
ERROR at line 1:  
ORA-00054: resource busy and acquire with NOWAIT specified or timeout expired  
ORA-06512: at line 18
```

Cause:

rep_DPS_10919.sql fails on timeout

Resolution:

1. Do the following:

- a) cd /exlibris/dps/d4_1/tmp/sp/3.21/build_dir_3.2.1.0/install_sp_dir/sql/structure_sql/3_2_0/ERROR/
- b) s+ rep00
- c) @rep_DPS_10919

2. Then rerun the SP installation

Category: SP installation
