
Loan or renewal disallowed when approaching patron expiration date

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Problem Symptoms:

Librarian wants to loan a book to a patron but gets the following messages "Expiration date approaching-day/month/year"

Cause:

Configuration

Resolution:

1a. vi ./xxx50/tab/tab30

Change the columns 3 ,4 and 5

from

xx ##### xxx xx xx

to

xx ##### 000 00 00

or alternate solution:

1b. Deactivate the check check_circ_1_c_b for LOAN or RENEW in ./xxx50/tab/tab_check_circ

2. Restart PC server via util w 3/3 to activate either change.

Additional Information

Example ./xxx50/tab/tab30 ! 2 3 4 5 !!-!!!!-!!!-!!-!! 01 HIL 000 00
