## ILL: potential suppliers: service level

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 21
- 

### Problem Symptoms:

It is difficult to find out about the current service level for the (next) potential supplier.

The drop down of the service level only offers 09 (+99) level.

We are having 18.

### Cause:

configuration

### Resolution:

Add the required service level to file

./xxx40/tab/pc\_tab\_exp\_field.ing in section ILL-ROSTER-LEVEL

Example from pc\_tab\_exp\_field.ing:

ILL-ROSTER-LEVEL L 01 01

ILL-ROSTER-LEVEL L 02 02

ILL-ROSTER-LEVEL L 03 03

[...]

ILL-ROSTER-LEVEL L 16 16

ILL-ROSTER-LEVEL L 17 17

ILL-ROSTER-LEVEL L 18 18

ILL-ROSTER-LEVEL L 19 19

[...] etc.

ILL-ROSTER-LEVEL L 99 99

2. Restart PC server (util w/3/3)
