
bX Hot Articles widget has not been updated since February 2014

- **Article Type:** General
 - **Product:** bX
-

Problem Symptoms:

Articles in the bX Hot Articles widget are displayed for "February 2014"

Cause:

The bX Hot Articles server has moved to a new host: <http://bx.ha.service.exlibrisgroup.com>

Resolution:

The URL in the HTML code should be corrected accordingly:

```
<iframe scrolling="no" height="275" frameborder="0" width="490" src="http://bx.ha.service.exlibrisgroup.com/service/hotarticles?token=YOURTOKEN&format=html&topic=AllSubjects" title="Hot Articles from bX"></iframe>
```
