

Copyrights Information Page on OPAC

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Problem Symptoms:

When clicking on the link of field 856\$\$u in OPAC a copyright page is always displayed.
The link should open directly without copyright page.

Cause:

Configuration

Resolution:

1. Change parameter

```
$alephe_root/www_server.conf
```

```
setenv show_copyrights Y
```

to

```
setenv show_copyrights N
```

2. Restart the WWW server.
