

Order index searches not working; run time for acq-04

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Problem Symptoms:

In the Acquisitions Module, order index list, certain searches which should retrieve order records do not return correct results.

Cause:

Order index not properly built

Resolution:

Run "Rebuild Acquisitions Order Index (acq-04)" to rebuild the order index.

?
