## Setting 'End Hold Request Date' parameter for item on shelf

- **Article Type:** General
  - **Product:** Aleph
  - **Product Version:** 20.01
- 

Desired Outcome Goal:

Set 'End Hold Request Date' for item on shelf

Procedure:

1. vi ./xxx50/tab/tab44

In column 4 you can define the End Hold Request Date for items with status "S" (on shelf) via the option ' Return/Hold Requests' for Returned Item.

In column 6 you can define the End Hold Request Date for items with status "S" via the option "Requests/Print letter-hold request filled" option.

2. Restart PC server via util w/3/3

**Category:** Circulation/ALEPH

**Subject:** Hold requests (500) - ALEPH
