
Is it possible to publish all DC fields from Rosetta?

- **Article Type:** Q&A
 - **Product:** Rosetta
-

Question

Is it possible to publish all DC fields from Rosetta?

Answer

Rosetta supports any *.xsl for publishing.

If the default /exlibris/dps/d4_1/system.dir/xsl/DC2SimpleDC.xsl is used, all the dc fields will be published out of the box.

Additional Information

The xsl syntax :

```
<record>  
<xsl:if test="//dc:record">  
<xsl:copy-of select="//dc:record/*./."/>  
</xsl:if>  
</record>
```
