

## Duplicate price from another field

- **Article Type:** Q&A
  - **Product:** Aleph
  - **Product Version:** 21
  - **Relevant for Installation Type:** Dedicated-Direct; Direct; Local; Total Care
- 

## Question

Is it possible in ACQ to get the price in field "Estimated price" automatically copied into field "Net amount" when creating an invoice?

---

## Answer

Unfortunately it's not possible to copy the "Estimated price" automatically into field "Net amount". However you may leave the field blank and only fill in the field "Total amount".

**Category:** Acquisitions

**Subject:** ALEPH - 500
