
Delivery of objects for Staff User

- **Article Type:** General
 - **Product:** Rosetta
 - **Product Version:** 4
-

Desired Outcome Goal:

How to deliver Objects for Staff Users only

Procedure:

1. Create an Access Right based on User Group = STAFF
 2. Add this new AR to the relevant IEs
 3. Add User Group STAFF to your staff users (see attached screen shot)
-

Additional Information

Note that STAFF User Group is different from Staff Users

See attached screen shot
