
How to modify Fine/Fee Type description?

- **Product:** Alma
-

Question

How to change the "Fine/Fee Type" description? For example, Fine description is "Locker Key" and a preferred terminology is "Laptop Key". The table is accessible in: User Management Configuration Menu > **Fines/Fees Behavior**.

Answer

Please open a support case to the attention of Ex Libris staff, requesting change to any existing Fine or Fee.

Additional Information

More about "Configuring Fines/Fees Behavior" is in the [Online Help](#).
