

SIP Title for Mets deposit

- **Article Type:** General
 - **Product:** Rosetta
 - **Product Version:** 4.0.1
-

Desired Outcome Goal:

Add a SIP title for SIP deposited through METS deposit

Procedure:

Create a dc.xml file at the same level as the content directory, which contains a dc:title

See dc.xml attached

See directory structure in the Producer's user Guide, page 34

Additional Information

If you want to have a default value for all the SIP coming with the same MF, you need to change the Metadata Form used as follows :

In the Field Information, add a dc:title and write a Default Value.
