### Question

What is reflected in Commitments and Expenditures in a Ledger's Funds?

### Answer

Pending Commitments

- Line Item amounts (Price) on Pending POs (not Approved)
- Line Item Price Adjustments or Other Charges on Pending POs

Total Commitments

- Line Item Price Adjustments or Other Charges on Approved POs

Pending Expenditures

- Line Item amounts (Price) on a Pending Invoices
- Line Item Price Adjustments or Other Charges on the Pending Invoices
- Prepays (PrePay Amount per Copy entered in the Price information in the Line Item) entered in Pending PO line items

Total Expenditures

- Prepays (PrePay Amount per Copy entered in the Price information in the Line Item) entered in Approved PO line items
- Any Adjustments or Other Charges on Approved Invoices

Once an Invoice is Approved, Total Commitments become Total Expenditures.
