

## Avoid Display of Copyright Page for ADAM Object in OPAC

- **Article Type:** General
  - **Product:** Aleph
- 

Desired Outcome Goal:

Avoid the display of a copyright page for an ADAM object in OPAC

Procedure:

For a single object, whether the object is displayed with or without copyright notice depends on the GUI copyrights tab setting.

\* If the copyright notice checkbox is checked, the copyright information is displayed

\* If it is not checked, the object is displayed immediately.
