## PrestoPrime results in Rosetta

- **Article Type:** Q&A
  - **Product:** Rosetta
- 

---

### Question

Is the "Rosetta AV version" a "special version" or the current general version of Rosetta?

---

### Answer

Version 3.2 includes the enhancements Rosetta 'AV oriented' version – see the MXFTechMdExtractorPlugin for example.

---

### Additional Information

You can install MediaInfo plugin as described in EI Commons (<http://exlibrisgroup.org/display/RosettaCC/mediainfo+MD+Extractor>)
