
Error trying to set up dashboard widget.

- **Article Type:** Q&A
 - **Product:** Alma
-

Question

I want to add a dashboard as a widget but this results in an error message. What have I done wrong?

Answer

Only reports can be displayed as widgets. It is not possible to turn a dashboard into a widget.

Additional Information

See the Alma Analytics Guide:

"Only reports can be displayed as widgets, but both reports and dashboards can be displayed from the Analytics link."
