

Staff Privileges to Link/Unlink Item/Holding record

- **Article Type:** General
 - **Product:** Aleph
 - **Product Version:** 20
-

Desired Outcome Goal:

How to Assign Staff Privileges to Link items to Holding without editing items or holdings.

Procedure:

1) In XXX01 library > Cataloging tab > Cataloging record > Allow 'Retrieve and View Record'.

2) In XXX50 > Items tab >

2a) Items Control > Allow :

Items - Display list

Filter Items list

Item - Display form

2b) HOL-Links > Allow all subfunctions: (Display, Link, Unlink).

3) Close Staff Privileges window to save Privileges.
