
How to create Analytics report on portfolios coverage?

- **Article Type:** General
 - **Product:** Alma
-

Desired Outcome Goal:

Looking for Analytics E-Inventory report on portfolios coverage.

This information is defined in the Electronic Portfolio Editor's "Coverage Information" tab.

For example, the portfolio may be available "From Year", "Until Year" (from 1998 to 2014).

Procedure:

The information is available in:

1. E-Inventory Subject Area
2. Portfolio
3. Date Info

Additional Information

The documentation explains:

Date Info: "Coverage information that indicate the content that was purchased/activated."
